## PREFACE

The Publishers, in presenting their 1974 Edition of the CITY OF PETERBOROUGH DIRECTORY, thank the people for the liberal support they have received.

Every means has been taken to render this Directory accurate and up-to-date in every detail known to progressive Directory Publishers.

This year once again the names are listed in order of telephone numbers. This Numerical Telephone Directory is printed on blue paper and we feel that it will greatly increase the usefulness of the directory to our subscribers. Telephone numbers are also listed by house address in the Street Directory.

Our estimate of the population of Peterborough and outskirts is 64,540.

# **VERNON'S 1974**

# **CITY OF PETERBOROUGH**

## ***Alphabetical Directory***

---

### **EXPLANATION**

1. The wife's name is shown in brackets following the husband's name: **Smith Wm R (Mary E)**.
  2. A widow is normally listed under her own given name, with the name of her deceased husband in brackets: **Smith Mary E (wid Wm R)**.
  3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in light face capital letters are those of proprietors, partners or executives of these firms.
  4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: **Plaza Groceries (John B Scott, Wm Noble)**. Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
  5. The householder or head of the house (owner or tenant) is indicated by **h** preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (\*).
  6. The information in this directory has been gathered from original sources and every effort has been made to ensure its accuracy; the publishers, however, assume no responsibility for any errors.

748-

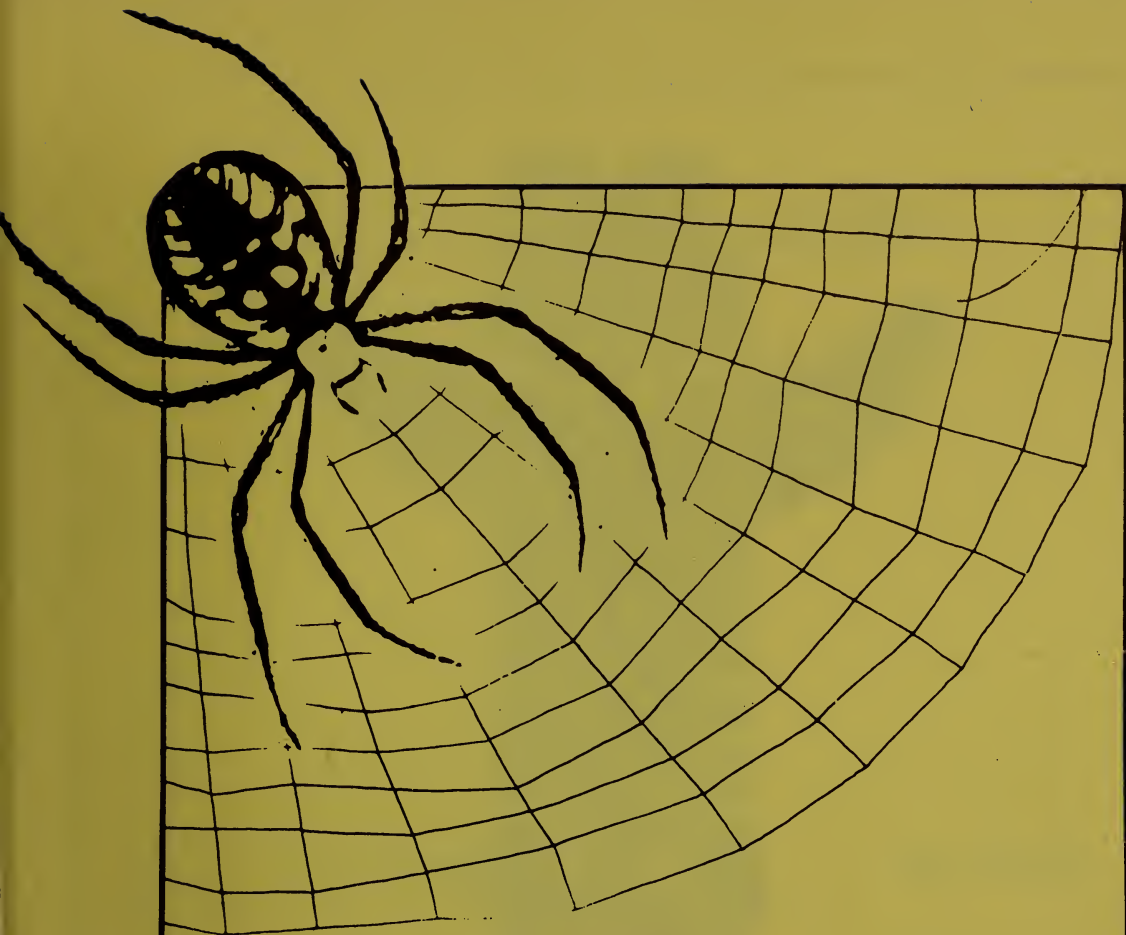

Early in the morning I went  
down to the beach and found

the water very calm and clear  
and the sun was shining  
and the birds were singing  
and the children were playing  
and the old people were sitting  
and the young people were dancing  
and the whole world was so beautiful

and I was so happy  
and I was so free  
and I was so alone  
and I was so loved

## ***Lack of advertising... beneficial to some!***

When Mark Twain was a young man, he was editor and publisher of a growing newspaper in a small Missouri town. One day he received a letter from one of his subscribers. The subscriber said that he had found a spider in that morning's edition of his paper. He wanted to know if this was an omen of good luck, or of bad luck. Mark Twain, a hustling space salesman as well as an editor, wrote to his customer:

Dear Sir:

Finding the spider in your newspaper yesterday morning was neither good luck or bad luck for you. The spider was merely looking over our paper to see which of the town's merchants is not advertising. He will then go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward.

TUNJO-DOES HE MAKE  
WISHES COME TRUE??

## **This is a Tunjo**

It was believed by the Colombian Indians to have the power of making wishes come true. This design was taken from a Tunjo (the most powerful man) made of solid gold and was believed to have the double nature of spirit (with wings) and body (a scorpion). It may be seen in the Gold Museum in Bogota.

You could probably paint a picture of a Tunjo on a piece of plain paper, burlap or cloth, and hang it on your wall. Every morning when you rise, you could make a wish that business will get better.

Or You could be more positive and place an advertisement in the **CITY DIRECTORY**.
